Dear Friends:

Excitement is mounting at KC... as sale-time nears. We think you will find our offering is outstanding. But the important thing is what will you think?

We sincerely hope you will be with us. The party Sunday night should be a Shorthorn gathering par excellence.

Sunday you will have time to see what our breeding program is accomplishing. You will see calves of the Benefactor-Great Event cross on our great Saltoun and other selected females. You will see polled calves by Clipper King.

Please forward your reservation card and let us know if you need to be met on arrival.

Sincerely,

A handwritten signature in red ink, appearing to read 'L. Lee', followed by a blue ink signature that appears to read 'Pat'.
